Testimonials

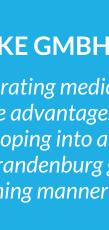

new/era/mabs GmbH

"The healthcare sector in Potsdam/Potsdam-Mittelmark has greatly increased its impact in recent years. This is not least due to the phenomenal development of the Potsdam Science Park, which has evolved into a highly attractive and dynamic science campus. We considerably benefit from the strong networks within the region that help us to further develop our products."

Katja Hanack

CEO von new/era/mabs und Professorin für Immuntechnologie an der Universität Potsdam

CHRISTOPH MIETHKE GMBH & CO. KG

"As an internationally operating medical technology company, we are benefiting increasingly from the advantages of our location in Brandenburg, which is continually developing into an appealing destination for people from all over the world. Brandenburg greets visitors in the same liberal, cosmopolitan and welcoming manner that we also aim for."

Christoph Miethke
